Additional Public Comments

Richard Garrison, St. Augustine, FL
Mr. Garrison read the following written statement:
I, Richard Garrison, as a Director on the Board of Directors of BPJ SCA (the lot owner's association) and as a lot owner, on the behalf of the lot owners in Bridge Point at Jekyll Sound, and at the request of the President of the BPJ SCA, hereby voice objection to the proposed settlement between Camden County and Lexon Insurance Company and the third-party defendants, including, but not limited to BPJS Investments, LLC, for a settlement that I understand, includes Lexon paying Camden County $4 million and the third-party defendants paying Camden County $200,000. This settlement represents only one quarter of the anticipated cost of completing the infrastructure in the Bridge Point subdivision. I hereby, also state that we cannot believe that Camden County would enter into any form of settlement with the defendants in this case without obtaining the 243 lots held as security by the county under the deed to secure debt provided by BPJS Investments and the three amenities parcels held by BPJS Investments that had not been pledged as security under such deed to secure debt. Please do not vote in favor of this proposed settlement. Thank you.

Jannie Everett, Thiokol Memorial Project
Ms. Everett stated that she would like to ask the Board of Commissioners to contact the Congressman to request that the victims of the Thiokol Memorial Project be honored with a Congressional Gold Medal. She explained that they are asking the Bryan Lang Historical Archives Board of Directors to consider a revision when the Camden Challenge History Book is under a review to include the historically correct disaster which took place at the Thiokol property, and recognize the twenty-nine (29) victims who lost their lives as a result of this tragedy. She stated that they have opened a museum in Kingsland and have a five (5) year plan from 2015 - 2021 in place. She stated that their goal is to establish the Thiokol Memorial National Park to honor the victims, and their families along I-95, complimentary to the Spaceport Project. She urged the County Commissioners to back these efforts.
